

UV PRINT ZONE SPECIFICATION - PEPEBRICKS.COM

got questions? >> skifi.space@gmail.com / +421 915 709 534 (whatsapp)

What info to supply for a successful print and quote:

- components specification: head color, legs, arms, hands, head cover if any - helmet/hair color (type) - available on PAB
- other elements for printing like capes (printed? color, shape - can be unique according to your drawing/scan/picture)
- requested print zones
- requested print amount per each unique design/part//minifigure (can be just torso, legs, head etc ..)
- other parts - shield + print, stand 3x4, flags etc. (capes, banners and flags can be unique for each order - max size is 38x38cm)
- files with designs BEST: Ai, EPS, JPG - white background, good resolution (ideally vector/shape). PNG is the worst file - please NO.
